SPEED RESTRICTION

Speed (IAS) restriction for arrival aircraft (due to ATC operational requirement):

1. From 190 KT to 200 KT when aircraft on the base leg or close to final approach or at 25 NM from RWY THR.
2. From 160 KT to 180 KT when aircraft establish on final approach course.
3. From 150 KT to 160 KT when aircraft at 5 NM from RWY THR.

In case unable to comply with these restrictions, pilots must inform ATC immediately.
